

# Nerium SkinCare, Inc./Nerium Biotechnology

## Model Release Form

For and in consideration of being a participant in the consumer/clinical research with Nerium SkinCare, Inc. and its parent company Nerium Biotechnology, I hereby assign full and unrestricted copyright of my photographs and or videos to Nerium SkinCare and Nerium Biotechnology. In doing so, I understand that my photographs and or videos may be reproduced for printing, research and marketing publications, product advertising, business purpose in any manner and medium, and I grant both Nerium SkinCare, Inc. and Nerium Biotechnology along with any related photographers, videographers, representatives, licensees or assignees unrestricted use for whatever purpose with the right of reproduction either wholly or in part, including any retouching or alteration without restrictions.

I further agree, provided that my legal name is not mentioned, unrestricted right to any statement or wording attributed to the photographs and videos for whatever purpose as deemed necessary by Nerium SkinCare, Inc., Nerium Biotechnology, and all representatives, photographers, videographers, licensees or assignees, and waive any liability or prosecution to all said parties involved with respect to usage of the respective photographs and videos.
